

## Delaware Department of Transportation Safe Routes to School Non-Infrastructure Program Application Form

This application form is available to request materials in support of Safe Routes to School Education, Encouragement, Enforcement, and Evaluation Activities. Descriptions of each type of activity are found in the Delaware Program Guidelines. To view these guidelines, visit [www.srts.deldot.gov](http://www.srts.deldot.gov). For ideas on activities, refer to the Non-infrastructure Strategies table, also available on the program website.

Items highlighted in **Purple** are available by special order only. Please allow at least 4-6 weeks for delivery. All other items are in stock and available for delivery on a first-come, first-serve basis to support SRTS program activities. Form updated August 10, 2011.
